OLD BUSINESS:

The Town Hall well water has failed another test, more to be done. Suggestion of replacing the pressure tank was discussed. The roads that needed grading have been done. Patching has been done also. The dirt needs to be removed from the Town Hall planter before Charlie Wasrud can work on it. The Chairman stated he would get that done shortly.

NEW BUSINESS:

Gary Prill, of the plan Commission, had nothing to report, however he would be attending a tourism meeting on 12/8/15. Although patching has been done, there are a few additional holes that need attention.

The clerk presented an updated Town Disaster Plan initiated by Waupaca County. After review a motion was made by Calvin Preuss, 2nd by Gary Chich to adopt Resolution #12-7-15 which approves the Towns Disaster Plan. The clerk will send a copy to the County.

Tree cutting will be done this winter when the Waupaca Cty Hwy department has time. The picnic tables can remain in the shelter over winter, however it was mentioned that a ceiling should be added because of bird presence in the rafters.

Next summer, Road Signs that need replacing can be done by the Cty Hwy Dept when they hire students for summer work.

PUBLIC INPUT:

None.

Next board meeting is Monday, January 4th, 2016.

A motion to adjourn was made by Gary Chich, 2nd by Calvin Preuss.
